

Reynolds Baptist Church Mission: Disaster Relief

Reynolds Baptist Church continues to be both a donation site and a pick-up site for various items in relation to our **Mission: Disaster Relief** in connection to Hurricane Helene.

Reynolds continues to receive products via tractor trailer, cars, trucks, and any from people and companies across the country. We also provide products to schools, other donation sites and the community.

Inside our Family Life Center:

We have water, food, hygiene items, pet supplies, baby products, along with household items, cleaning supplies, bedding, tools, and clothes of all sizes for all people.

Our new hours are:

- Monday, Wednesday, Friday, and Saturday / 12 - 4pm
- Tuesday, Thursday / 12-7pm

If the gates are open, we are open for the community. Just drive down the left side of the church to the Family Life Center and find both your needs and wants in one place. If there is something you cannot locate, just ask any of our volunteers.
